Approval Form Subcommittee

Top concerns regarding Approval Form:

- Clarity of purpose in the Approval Form entry process.
- Incorporating the needs of the GEC into the Approval Form in an understandable manner for submitters.
- Removal of confusion and extraneous items from process
- Producing a vote worthy deliverable for the GEC from the beginning of the process
- Reinforcing the needs and expectations of the General Education Program through the Approval Process.

Needs/support may be required by the subcommittee:

- Input from other subcommittees
- Feedback from submitters, committee members, faculty/departments

Timeline:

- Dependent on various subcommittee recommendations and efforts
- Have an updated General Education Approval Form by Fall 2020
