4. General Comments from Course discussion:
 - Request to clarify rubrics and when rubrics are required for assessments within courses.
 - Consensus was that a narrative would suffice.
 - Recommend asking for the provision of rubrics upon request.
 - Historically have asked "how will still students be assessed?"
5. Subcommittee Updates
 - Assessment
 - Continuing progress on Fairness & equity Task Force to develop guidelines and models for addressing fairness/equity.
 - Setting meetings with Q1 teachers to discuss assessment.
 - Review
 - Incorporating language into syllabus which normally is required by approval forms in effort to remove redundancies for submitters.
 - Will provide list of what needs to be addressed at future meeting.
 - Approval Form
 - Awaiting input from other subcommittees.

- Audit
 - No report
- Diversity
 - PowerPoint presentation
 - Recommend including Fairness & Equity in mission statement for subcommittee.
