Enter the term (semester and year) that the certificate would start. Please keep in mind that this may be adjusted depending on University deadlines for approval process.

Response:
Earliest Available

Effective Year

Response:
Earliest Available

Certificate Description

Enter a description of the certificate. This is limited to 50 words or fewer.

Response:
The Certificate will recognize students' competency in the use of theatre to enhance individual and community health and to impact healthcare environments. Students will be introduced to the field of applied theater and will utilize theatre in the healthcare environment as well as developing their own applied theatre practice.

Requirements for Admission

List any requirements for admission to this new certificate program such as grade point average, background in the discipline, current enrollment status, etc.. Please indicate if the certificate only accepts students of a particular status: for example, current UF graduate students, graduate students in a specific college, non-degree seeking students, or any student status.

Response:
Application Procedures: Students interested in obtaining the Undergraduate Certificate in Applied Theater for Health should apply to the program by their junior year. Students from any major may apply to the program, but must complete at least 50% of certificate requirements after they have been accepted into the program. The application process includes:

- Completion of the online application
- Submission of a one-page personal statement and one letter of recommendation
- An interview with the advisor and/or Center for Arts in Medicine director

Requirements: To qualify for the Certificate, students must attain a 3.0 average in all courses included in the Certificate curriculum within six months of graduation.

Requirements for Completion

List all of requirements for completion of the certificate program, such as courses, internships, projects, etc. For each course, indicate prefix, number, title, # credits, and established grading scheme (letter graded, and/or S/U). The title should be identical to the official title of the course as listed in the Graduate Catalog at <http://gradcatalog.ufl.edu>.

Response:

To obtain the Certificate, students must complete the following courses:

Required Courses (12 credits):

- HUM 2592 Introduction to Arts in Medicine in a Global Context, 3 credits, Letter Graded
- TPP3124 Beginning Improvisation, 3 credits, Letter Graded
- HUM3XXX Applied Theater for Health I: Theory and Practice, 3 credits, Letter Graded
- HUM3XXX Applied Theater for Health II: Collective Creation Lab, 3 credits, Letter Graded

Rationale and Place in Curriculum

Describe the rationale for offering this new certificate and having it on the transcript, its place in the curriculum, how it will enhance the quality of the existing program or department. Also describe its overlap with any existing certificates and programs, and a justification for any such overlap. Note that documentation of consultation will be expected for any certificate with overlapping content.

Response:

The Center for Arts in Medicine offers certificates in Dance, Music, and Visual Arts in Medicine. The addition of the Applied Theater for Health Certificate is an essential discipline to include in our offerings. This Certificate will expand our on campus and community programming and bring non-arts majors into the College of the Arts. Students who fulfill the requirements for the Undergraduate Certificate in Applied Theater for Health will gain unique life experience and skills. This certificate, recognizing these special skills, can serve as a credential for developing post-baccalaureate educational pathways and career options.

Student Learning Outcomes

List each student learning outcome with its associated courses, assessment type (e.g. course-related exam/assignment/grade, final paper/project/presentation, standardized exam, capstone) and method (e.g. rubric, faculty committee, single faculty member).

Response:

SLO 1 Content Knowledge

Outcome: Identify and explain historical and theoretical foundations and practices within the field of Applied Theater for Health.

Associated Course: Applied Theater for Health I

Assessment Type: Presentation, Discussion, Paper

Method: Single Faculty Member.

SLO 2 Communication

Outcome: Illustrate effective communication in verbal and written form.

Associated Courses: Applied Theater for Health I & II, Improvisation, Intro to AIM

Assessment Type: Presentations, Discussions, Observation of Rehearsals and Performances

Method: Single Faculty Member

SLO 3 Critical Thinking

Outcome: Apply theoretical knowledge to the creation of original theater workshops and performances.

Associated Courses: Applied Theater I & II

Assessment Type: Performance evaluation, Self evaluation, Discussion

Method: Single Faculty Member

Overview

The Undergraduate Certificate in Applied Theater for Health will introduce students from across disciplines to the exciting global field of applied theatre. Students who undertake the certificate will be introduced to history and practice in the field and will explore utilizing and facilitating theatre for education, social change, and health.

This certificate, recognizing these special skills, can serve as a credential for developing post-baccalaureate educational pathways and career options. Students interested in working in education, theatre, journalism, mental health counseling, social justice, community non-profits, women's studies, and health care settings will find this certificate valuable to their career paths.

Application Procedures and Requirements

Application Procedures: There are no pre-requisites for this program. Students from all backgrounds are encouraged to apply. Students interested in obtaining the Undergraduate Certificate in Applied Theatre for Health should apply to the program by their junior year. Students from any major may apply to the program but must complete at least 50% of certificate requirements after they have been accepted into the program. The application process includes:

- Completion of the online application
- Submission of a one-page personal statement and one letter of recommendation from a Faculty member.

To qualify for the Certificate, students must attain a 3.0 average in all courses included in the Certificate curriculum within six months of graduation. For more information, contact the applied theatre for health faculty member, Jeffrey Pufahl, jpufahl@arts.ufl.edu
