<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

### Liberal Arts and Sciences

L. AFS 4940 – African Studies Internship: **[CA]**

- <https://secure.aa.ufl.edu/Approval/reports/13238>
- Comments:
  - Previous UCC comments, 12/18:

  - Repeatable credit (total of 12) and variable credit (1-4), how does the effort and course requirements for students vary between 1, 2, 3, 4 credit options? Is there a departmental standard in place?
    - How will the educational experience differ for a student taking the course as a 1 credit versus a student taking it as 4 credit?
    - This must be detailed.

- How will students be graded?

N. CPO 3XXX – Democracy in Dark Times: **[R]**

- <https://secure.aa.ufl.edu/Approval/reports/12956>
- Comments:
  - What does “appropriate participation in discussions of readings” mean?
  - Previous UCC comments not yet addressed (January 2019):
    - How will participation be measured/graded?
    - Midterm/Final Exams/Major assignments need to be included in course schedule
    - Will students read the entirety of the listed texts?
    - Can any of these be provided through the library if students will only be asked to read selections?

P. GER 3225 – German Text Translation and Generation I: **[CA]**

- <https://secure.aa.ufl.edu/Approval/reports/13542>
- Comments:
  - Prereq on UCC form says GER 2200 or GER 2225 or the equivalent; Please clarify what “equivalents” are acceptable.
  - Please confirm the graded weekly 30-min conferences built in to the course time overall do not mean students spend time beyond what they should for a 3-credit course (in other words, it doesn’t become more like a 4-credit course). Is this 30 minute conference in addition to regularly scheduled class time?
  - Discussion rubric includes a bonus/”beyond” space but it’s not defined what that is or how students might earn it (even just to say it’s at discretion of instructor).

Q. GER 3226 – German Text Translation and Generation II: **[CA]**

- <https://secure.aa.ufl.edu/Approval/reports/13543>
- Comments:
  - Prereq on UCC form says GER 2200 or GER 2225 or the equivalent; Please clarify what “equivalents” are acceptable.

R. JPT 3XXX – Monsters and Horror in Japan: **[R]**

- <https://secure.aa.ufl.edu/Approval/reports/13560>
- Comments:
  - Make-up policy not entirely consistent with UF policy; UCC form says late work will receive a 10% deduction per 24 period that passes until it is submitted. This should only happen if late work is not excused per UF policy. Please update and bring in line with UF policy.
    - <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/#absencestext>
  - Are all readings required for student purchase or will some portions be provided to students?

T. LAS 3XXX – Drug Wars and Oil Fortunes in Latin America: **[R]**

- <https://secure.aa.ufl.edu/Approval/reports/13337>
- Comments:
  - Assigned readings: What needs to be purchased and what will be provided on Canvas or through UF Libraries? Are all required?
  - How will participation be graded?
  - "No assignments will be accepted beyond 48 hours past the due date. \*\*Quizzes, presentations, and tests will not be accepted late. If an assignment deadline corresponds with a pre-approved absence in accordance with UF policy, please contact me in advance to reschedule.
    - This is not in agreement with the UF attendance/makeup policy. Students may not be able to contact instructor prior to an emergency. Students with excused absences must be allowed to make-up missing work in reasonable amount of time.

- Please correct and bring in line with UF policy:  
<https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/#absencestext>
- This is not allowable under UF policy, please remove:
  - “Please turn off or place your phone in airplane mode while in class. Use of cell phones during the class period will result in a “zero” participation grade for the day and you may be asked to leave the class if you use your cell phone, which would equate an absence for the day.”
- “Grading Policy  
 Grades will be awarded as listed in the key below”.  
 Please upload and include in submission form.

U. MET 4XXX – Managing for a Changing Climate: **[CA]**

- <https://secure.aa.ufl.edu/Approval/reports/12660>
- Comments:
  - Course description: Delete first three words.
  - Week 16 is exam week, cannot conduct day to day class work during this time or reading days.
  - The final grade percentages allows for students to earn two different grades at different percentages, please correct.

  - Has consult with English.

W. SLS 1XXX – Professional Pathways in the Liberal Arts and Sciences: **[CA]**

- <https://secure.aa.ufl.edu/Approval/reports/13811>
- Comments:
  - The rationale states that this course “will help CLAS students be intentional in the selection of their degree programs...” Based on other parts of the rationale and based on course readings/topics, students will focus on how to demonstrate the value of a liberal arts education. How will this help them decide on a particular major?
  - What is the purpose of the following prerequisites for a 1XXX course:  
 Prerequisites: 1LS or 2LS.
