Request: EMA3066

Description of request: Change pre-req for EMA3066 from EMA3010 to EMA3010 or BME3101

Submitter: Tanner Nestle tnestle@ufl.edu

Created: 4/14/2020 1:47:19 PM

Form version: 1

Responses

Current Prefix EMA

Course Level 3

Number 066

Lab Code None

Course Title Introduction to Organic Materials

Effective Term Earliest Available

Effective Year Earliest Available

Requested Action Other (selecting this option opens additional form fields below)

Change Course Prefix? No

Change Course Level? No

Change Course Number? No

Change Lab Code? No

Change Course Title? No

Change Transcript Title? No

Change Credit Hours? No

Change Variable Credit? No

Change S/U Only? No

Change Contact Type? No

Change Rotating Topic Designation? No

Change Repeatable Credit? No

Change Course Description? No

Change Prerequisites? Yes

Current Prerequisites EMA 3010 and one of the following: EMA 3011, CHM 2200 or CHM 2210

Proposed Prerequisites EMA3010 or BME3101

Change Co-requisites? No

Rationale The content in BME3101 is sufficient for EMA3066 and many student from the Biomedical Engineering Department want to register for EMA3066

Subject: Change in Materials Science Pre-Req - Potential Impact on CHEM 2200/2210 Enrollment

Importance: High

Good afternoon,

The Materials Science and Engineering Department is changing the allowable pre-requisite courses for one of our courses by removing CHM2200 and CHM2210 as allowable pre-reqs.

Since this may have an impact on your enrollment in those classes as less students from our department may be registering for those courses, the University Curriculum Committee needs us to notify your department of the potential impacts before approval can be made.

According to the class rosters from CHM2200 in Spring 2020 and CHM2210 in Fall 2020, only four total Materials Science students registered for the courses over the two terms listed.

Best,
Tanner
