**Rationale** While PUR3000 is a fine elective for our Public Relations students, it doesn't work for the Sports and Media specialization in the Journalism major. PUR3463 is one of their required courses and PUR3000 is not a required course for them. Currently, I manually add the Sports students to the class and override the prereq. Removing PUR3000 will just open the course to more students and make it a better aligned course in the Sports and Media major.
