Change S/U Only? No

Change Contact Type? No

Change Rotating Topic Designation? No

Change Repeatable Credit? No

Maximum Repeatable Credits 0

Change Course Description? No

Change Prerequisites? No

Change Co-requisites? No

Rationale This course includes hands-on components that would traditionally be taught in an exercise laboratory setting. In an effort to better schedule space/rooms for these hands-on experiences and ensure students understand that these are part of the course, we would like to add the "c" designation.
