Course Description This course prepares students to develop, manage, and evaluate horticultural therapy programs in diverse environments. Strategies for program proposals and funding will be explored, along with recruitment of clients and required regulations and documentation. Staff/volunteer management will be discussed, as will plant materials, gardens, and other program resources.

Prerequisites PLS 3XXX Introduction to Horticultural Therapy (C-) & PLS 4XXX Techniques in Horticultural Therapy (C-)
Co-requisites NA

Rationale and Placement in Curriculum This is the third course in the series of horticultural therapy courses. In this course students will synthesize skills and knowledge from the previous two courses to plan, develop, and evaluate horticultural therapy programs that successfully respond to the clients' and facility's needs. The content aligns with the curriculum requirements of the American Horticultural Therapy Association for HT practice.

Course Objectives Formulate a horticultural therapy program, including mission/vision, funding, marketing, and recruitment
§ Describe the influence of staff/volunteers on program success and the importance of their training and management
§ Explain the management of the program and its facility, inventory, budget, and maintenance
§ Discuss the growth and maintenance of plant materials on site, including managements of pests and diseases
§ Summarize relevant facility regulations and record-keeping, including HIPPA, IRB, and other documentation requirements as well as safety issues related to program environment
§ Articulate how a horticultural therapist integrates with other healthcare delivery specialists and teams

Course Textbook(s) and/or Other Assigned Reading Haller, R.L. & Capra, C.L. (2016). Horticultural therapy methods: Connecting people and plants in health care, human services, and therapeutic programs. (2nd ed.). Boca Raton, FL: CRC Press.

Class Attendance and Make-Up Policy:
Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:
https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

Academic Honesty Policy:
UF students are bound by The Honor Pledge that states, “We, the members of the University of
Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code." On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor.

Online Course Evaluation Process:
Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/.

Services for Students with Disabilities:
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter that must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**Grading Scheme** Assignments:
Videos (2 at 20 points each)
You will create and post two three-minute videos: one in Week 2 that introduces you to the class and includes information on yourself, your reason for taking this course, and your interests; and another in Week 12 that responds to a selected prompt. More information and a rubric will be provided within the assignment links in Canvas.

Quizzes (11 at 10 points each; lowest quiz grade dropped)
Each quiz will consist of 10 multiple-choice, matching, or fill-in-the blank questions related to the associated topic. Quizzes will be open notes, but they must be completed within a limited timeframe in one sitting. Quizzes are to be taken individually; no collaboration is allowed and they are not to be recorded or shared in any manner. Quizzes will be given at the beginning of the week based on material covered the previous week.
Discussion Board Posts & Video Responses (24 at 2 points each)
The purpose of the discussion board posts is to engage students with each other and enhance the learning environment. Each week a discussion topic or question will be posted with the expectation that you post a personal response and also respond to at least two other student's posts. The topic will be posted at the beginning of each week. Your personal post on the topic is due by Wednesday and your two responses to your peers' posts are due by Sunday. You will also be expected to respond to at least two of your peers’ self-introduction video and virtual fieldtrip video.

3 Minute Research Reports (4 at 30 points each)
You will record (audio or visual) and post a three minute research report on the given topic, following the template provided in the assignment link. Your grade will be assessed on content, clarity, and delivery as detailed in the associated rubric.

Research Report Peer Evaluations (8 at 5 points each)
You are expected to listen to your classmates' research reports and post a response to two classmates (5 points each, 10 points per each of four research topics) based on the rubric provided in the assignment instructions.

Group Project (150 points)
In groups of 2-3, you will create a program proposal for a horticultural therapy or therapeutic horticulture program. The comprehensive proposal will be based on a particular facility and population and will include facility and client information, recommended assessments, task and activity analyses, activity examples, and therapeutic goals. Each student will also include an evaluation of his/her fellow group members that will be figured into the grade. Detailed instructions are provided in the assignment link.

Final Exam (100 points)
The final exam will be comprehensive and will include multiple choice, matching, fill-in-the blank and short answer questions. There will be a review session available. The exam is to be taken individually; no collaboration is allowed. The exam is not to be recorded or shared in any way. The exam will be proctored.
