Description of request	This request is to clean up the pre-requisite,. The course teaches many skills that are needed by our students when they are interviewing for internships and co-ops, and these interviews can take place while they are taking ECH3023 Material & Energy Balances. We received strong feedback from student exit interviews asking us to move ECH4934 Professional Seminar to the same term as ECH 3023 Materials & Energy Balances, and our faculty unanimously approved the change.
