Responses

Current Prefix

Enter the current three letter code (e.g., POS, ATR, ENC).

Response:

EMA

Course Level

Select the current one digit code preceding the course number that indicates the course level at which the course is taught (e.g., 1=freshman, 2=sophomore, etc.).

Response:

3

Number

Enter the current three digit code indicating the specific content of the course based on the SCNS taxonomy and course equivalency profiles.

Response:

011

Lab Code

Enter the current lab code. This code indicates whether the course is lecture only (None), lab only (L), or a combined lecture and lab (C).

Response:

None

Course Title

Enter the current title of the course as it appears in the Academic Catalog.

Response:

Fundamental Principles of Materials

Effective Term

Select the requested term that the course change(s) will first be implemented. Selecting "Earliest" will allow the change to be effective in the earliest term after SCNS approval. If a specific term and year are selected, this should reflect the department's expectations. Courses cannot be changed retroactively, and therefore the actual

effective term cannot be prior to SCNS approval, which must be obtained prior to the first day of classes for the effective term. SCNS approval typically requires at least 6 weeks after approval of the course change at UF.

Response:

Fall

Effective Year

Select the requested year that the course change will first be implemented. See preceding item for further information.

Response:

Earliest Available

Requested Action

Indicate whether the change is for termination of the course or any other change. If the latter is selected, all of the following items must be completed for any requested change.

Response:

Course redesign to better align with curricular needs and changes to EMA 3011

The two courses are designed as a sequence for MSE students

Ensures that students take the courses in the desired order

EMA 3010 already has general chemistry as pre-requisite
