## Info

Request: EME3044 Issues & Trends in Educational Technology Description of request: Change course prerequisite Submitter: Alyson Adams adamsa@coe.ufl.edu Created: 2/19/2020 11:37:34 AM Form version: 3

## Responses

**Current Prefix** Enter the current three letter code (e.g., POS, ATR, ENC).

Response: EME

## Course Level

Select the current one digit code preceding the course number that indicates the course level at which the course is taught (e.g., 1=freshman, 2=sophomore, etc.).

Response: 3

#### Number

Enter the current three digit code indicating the specific content of the course based on the SCNS taxonomy and course equivalency profiles.

Response: 044

#### Lab Code

Enter the current lab code. This code indicates whether the course is lecture only (None), lab only (L), or a combined lecture and lab (C).

Response: None

#### **Course Title** Enter the current title of the course as it appears in the Academic Catalog.

Response: Issues and Trends in Educational Technology

## **Effective Term**

Select the requested term that the course change(s) will first be implemented. Selecting "Earliest" will allow the change to be effective in the earliest term after SCNS approval. If a specific term and year are selected, this should reflect the department's expectations. Courses cannot be changed retroactively, and therefore the actual

effective term cannot be prior to SCNS approval, which must be obtained prior to the first day of classes for the effective term. SCNS approval typically requires at least 6 weeks after approval of the course change at UF.

Response: Earliest Available

## **Effective Year**

Select the requested year that the course change will first be implemented. See preceding item for further information.

Response: Earliest Available

## **Requested Action**

Indicate whether the change is for termination of the course or any other change. If the latter is selected, all of the following items must be completed for any requested change.

Response: Other (selecting this option opens additional form fields below)

## Response:

After implementing the new Education Sciences major for 2 academic years, the faculty have determined that the core knowledge and skills in EME2040 is the best foundation for several more advanced courses in the educational technology specialization of the Educational Sciences major. The prerequisite course change will also permit students to move more quickly into their selected specialization area and courses.
