Response:

Introduction to Instructional Design

Effective Term

Select the requested term that the course change(s) will first be implemented. Selecting "Earliest" will allow the change to be effective in the earliest term after SCNS approval. If a specific term and year are selected, this should reflect the department's expectations. Courses cannot be changed retroactively, and therefore the actual

effective term cannot be prior to SCNS approval, which must be obtained prior to the first day of classes for the effective term. SCNS approval typically requires at least 6 weeks after approval of the course change at UF.

Response:
Earliest Available

Effective Year

Select the requested year that the course change will first be implemented. See preceding item for further information.

Response:
Earliest Available

Requested Action

Indicate whether the change is for termination of the course or any other change. If the latter is selected, all of the following items must be completed for any requested change.

Response:

After implementing the new Education Sciences major for 2 academic years, the faculty have determined that the core knowledge and skills in EME2040 is the best foundation for several more advanced courses in the educational technology specialization of the Educational Sciences major. The prerequisite course change will also permit students to move more quickly into their selected specialization area and courses.
