Please explain the rationale for the requested change.

Response:
Students learn and develop skills in HUM 2592 and DAN3375 or HUM3523 or HUM3351 that are critical to understanding and practicing the arts safely in health and/or community contexts.

The summer intensive is an off-book experience that does not appear on student transcripts and costs money above and beyond additional tuition. The learning outcomes from the summer intensive can be met through the combination of proposed pre-requisites.
