Current Degree Program Name Comparative Law
CIP Code 220206
Requested Name Change Change the name of the degree program.
Proposed Degree Program Name U.S. Law

Effective Term Earliest Available **Effective Year** Earliest Available

Pedagogical Rationale/Justification The Faculty voted to change the name of the program in order to better reflect the courses students were taking as part of the program. Students enrolled in this program primarily to take courses focused on the U.S. legal system and U.S. laws. The name change aligns with how peer and aspirational law schools title this program and allows our LL.M. students to more accurately reflect their skills and knowledge to be competitive for post-graduation employment. **Assessment Data Review** N/A; As we discussed, we are only asking to change the name of the degree program.

Academic Learning Compact and Academic Assessment Plan N/A; As we discussed, we are only asking to change the name of the degree program.
