## Proposed Curriculum Changes

*Describe the proposed changes to the curriculum. If the change is to offer the program through UF Online, please explain and attach a letter of support from the Director of UF Online.*

Universal tracking updated to require 2.0 UF, CORE, and MAJOR GPA's during terms 6, 7, and 8.

### **Pedagogical Rationale/Justification**

*Describe the rationale for the proposed changes to the curriculum.*

Response:

The UF, CORE, and MAJOR GPA are required to be a 2.0 in order to facilitate students' successful completion of the degree requirements. Students must have a 2.0 or higher GPA in each of these GPA's to earn the degree.

### **Impact on Enrollment, Retention, Graduation**

*Describe any potential impact of the curriculum changes on students who are currently in the major.*

Response:

Students who are unable to maintain adequate GPA's for tracking purposes will be monitored and supported through the college probation system (<https://warrington.ufl.edu/undergraduate-currentstudents/academic-advising/academic-probation/>). Students will be coached on success strategies and will be required to meet with an Academic & Career Advisor to develop an academic plan that will facilitate academic success.

### **Assessment Data Review**

Response:

This change is policy based, and not a change to the curriculum (inclusive of student learning outcomes).

*Describe the modifications to the Academic Learning Compact (for undergraduate programs) and Academic Assessment Plan that result from the proposed change.*

Response:

No modifications to the ALC's are necessary based on the proposed changes.
