Effective Year 2020

Requested Action Terminate Certificate

Current Transcript Name Speech and Hearing Sciences

Assessment Data Review This certificate has rarely been requested since we offer the Communication Sciences and Disorders Minor to undergraduate students as well as the post-baccalaureate program for students with a bachelor's degree needing to complete the pre-requisites required to apply to a master's program in communication sciences and disorders. This certificate is not necessary for licensure as an audiology assistant or a speech-language pathology assistant.
