Maximum Repeatable Credits 0
Change Course Description? No

Change Prerequisites? Yes
**Current Prerequisites** EME2040  
**Proposed Prerequisites** Formal admission to the upper division Unified Elementary ProTeach program.

**Change Co-requisites?** No

**Rationale** The course is a required course in the elementary education bachelor’s degree program. Program faculty have changed the program sequence to provide better preparation for the undergraduate students. The students are organized into cohorts who progress through the program in a prescribed order, determined by program faculty. In this request we are removing the original prerequisite. Then only the prerequisite being related to program status: students taking this course must have been approved for admission to the Elementary Education degree program.
