

Cover Sheet: Request 13680

Request to Modify Common Prerequisites Notes

Info

Process	Degree Change Common Prereqs
Status	Pending at PV - University Curriculum Committee (UCC)
Submitter	Teresa Mutahi tmutahi@ufl.edu
Created	2/25/2019 4:06:56 PM
Updated	3/29/2019 1:51:29 PM
Description of request	The biology major program at the University of Florida requests to add notes to Florida's common prerequisites notes. These notes provide clarity to students interested in transferring to the biology major program at UF.

or- MACX234	4	
or- STAX023	3	
or- STAX024	4	
or- STAX321		

(Please see notes in the following page)

(Continues from previous page)

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

- (1) ONLY UWF accepts this alternative common prerequisite choice.
 - (2) UWF requires both CHMX210/X210L and PHYX053/X053L & PHYX054/X054L.
 - (3) UWF DOES NOT accept this course as a common prerequisite.
 - (4) **UF DOES NOT** require CHMX210/X210L & CHMX211/X211L; PHYX053/X053L & PHYX054/X054L to be taken prior to transfer admission. MACX311 & MACX312 are not required for the Bachelor of Arts in Biology track hence need not be taken prior to transfer admission. For all other biology tracks/specializations, MACX311 is required to be taken prior to transfer admission. However, MACX312 is not required to be taken prior to transfer admission. Note: the requirements for each of our biology tracks differ, and some tracks have a wider range of course options than what is listed above. Please consult the UF course catalog for more information.
- * Limited Access.
