

Whereas the horrific deaths of Mr. George Floyd and Ms. Breonna Taylor sparked national and global protests against racism;

Whereas there have been increased levels of violence against the Asian American and Pacific Islander communities since the onset of the pandemic;

Whereas President Fuchs wrote in his June 18, 2020 statement to the University of Florida community that he urged all University of Florida community members to become a part of a positive change against racism;

Whereas the University of Florida is dedicated to advancing truth, reconciliation and justice, antiracism, equality, and working to eradicate inequities;

Therefore, be it resolved that the University of Florida Faculty Senate endorses the adoption of the Inclusion, Diversity, Equity, and Accessibility (IDEA) action items document in its current form and commits to revisit and revise this document annually.
