

### Current Responsibilities

The Academic Assessment Committee shall review Academic Learning Compacts (ALC) and Student Learning Outcomes (SLO) developed by each unit in order to assess their feasibility and consistency with University-wide evaluation. The committee will provide recommendations to the Provost on methods of assessing SLOs for each unit (including General Education). These recommendations may include unit self-assessment criteria already established. The committee will develop methods for assessing progress in implementing curricular recommendations. These methods should include input from student surveys. The committee will also develop long-term assessment plans for the undergraduate program at an institutional level. The committee will provide an annual report of its work, findings, and recommendations to the Senate and the President.

### Revised Responsibilities:

The Academic Assessment Committee reviews and approves Academic Learning Compacts (ALCs) for all undergraduate programs, Academic Assessment Plans for all undergraduate, graduate, professional, and certificate academic programs, and all Student Learning Outcomes (SLOs) and Program Goals for each academic program at the University. The committee reviews and approves the Institutional Assessment Plans for General Education and the Quality Enhancement Plan.

The committee reviews the scope and validity of assessment measures and makes recommendations to faculty when measures appear to be misaligned with the outcomes or goals they are intended to measure.

The committee provides guidance to faculty on all matters related to the assessment of SLOs and program goals.

The committee will provide an annual report of its work, findings, and recommendations to the Senate and the President.
