Student Learning Outcomes (SLO)  Assessment of SLOs

Briefly describe the revision and include the revised language:

1. Remove SLO # 4 for B.S. in Geography
2. Add new assessment to both B.A. and B.S. in Geography. Proposed language: "submit a capstone portfolio in GEO4930 graded by a rubric developed by faculty.

Rationale/Justification for the revision:

1. SLO #4 for B.S. is based on grades and content in other departments. Unable to capture relevant achievements.
2. Need an assessment to capture Critical Thinking and Communication skills. Capstone Portfolio in GEO 4930 is the best way to capture all students.

If SLO is checked – Describe the individual student assessments that will be used measure the revised SLO?

Eliminating, no assessment needed.

If Assessment is checked – How does this new assessment method address the SLOs? Which SLOs does this new assessment apply to?

Existing assessment method (Capstone Exam) captures SLOs 1, 2 and 3. Proposed assessment captures 4 & 5 (pending acceptance of revisions to B.S.)

If both checked: How do the assessment methods relate to the SLOs?

Same as prior comment

Please attach both the current ALC and the new, revised version.
