

# SLO-AAP|Modify for request 11486

## Info

**Request:** MS Veterinary Medical Sciences

**Description of request:** Please review the change to Program Goal 1 and its evaluation method.

Program Goal 1 for the MS in Veterinary Medical Sciences is changed from Increasing completion to Tracking the time to completion for the various master's programs within the College.

The revised language is Track the time to completion for students in each of the master's programs, which includes the on-line master's programs, the Residency master's program, and the on-campus master's programs.

The evaluation method is also changed from tracking enrollment and funding. The revised language for the evaluation method is Track the time to completion for students in the various master's programs.
