Info

Request: Change to Program Goal for Student Academic Performance, Master of Science in Epidemiology

Description of request: Previous language for MSE PG-1 "Student Academic Performance."

Program Impact (1) – Educate and train students in the foundational aspects of epidemiology including person, place and time, risk and protective factors, and the social determinants of health

Target: 100 of students reach B+ or greater on foundation coursework.

We request changing this Target to:

Target: Faculty for PHC 6001, 6000, 6011, and 6003 OR 6517 (core courses) endorse 100% of students as adequately (B+ or higher) completing the academic portion of their coursework (attendance, participation, and assessments of other non-scholarly objectives will not be included).

Submitter: Striley, Catherine cstriley@ufl.edu

Created: 2/8/2017 10:06:08 AM

Form version: 1

Responses

Name of Major

Response:
Master of Science in Epidemiology

College

Response:
Public Health and Health Professions

Effective Term

Enter the term of implementation (semester and year).

Response:
Earliest Available

Effective Year

Response:
2017

Request Type

Select the type of modification being requested.

Response:

Modify Graduate Academic Assessment Plan

Academic Assessment Plan Modifications

Response:

Methods and Procedures

Measurement Tools

Description and Rationale

Briefly describe the modification(s), including the revised language, and provide the rationale/justification for the revision. Templates are available for the curriculum map, assessment timeline, and assessment cycle on the [Institutional Assessment website](#).
