SLO-AAP|Modify for request 11457

Info

Request: Change to Certificate in Psychiatric Epidemiology program goal
Description of request: We need to modify the Program Goal 1 to change from the use of a grade target (100% of students B+ in course work) to the use of academic grading only.

That makes this the new goal:
CPE PG-1 Program Goal – Student Academic Performance

Program Impact (1) Educate and train students in foundational aspects of psychiatric epidemiology including landmark studies, diagnostic instruments and commonly used methods, preparing them for future success in psychiatric epidemiology research and practice

Target: 100% of students will average 85% or above on all academic course work for PHC 7038, Psychiatric Epidemiology

Submitter: Striley,Catherine cstriley@ufl.edu
Created: 2/8/2017 10:00:22 AM
Form version: 1
