Request: Updated TERM BS 2017-18 AAP

Description of request: Changed PG 1 from: Department faculty and the TRSM advisor will continue to market the new TERM curriculum to increase enrollment. Assessment: Department faculty and the TRSM advisor will gather student's comments provided during advisement sessions and/or specified on course evaluations. This data will supplement the definitive enrollment numbers to determine the % of change in enrollment

to: Evaluate the results of curriculum reviews and course evaluations of the BS in Tourism, Events and Recreation Management to better determine if curriculum improvements are needed. Assessment: A standing committee evaluates the curriculum by assessing course evaluations, industry trends and other available surveys.

Updated the curriculum map to include different courses and added assessments within the map. Removed LEI 2181 and replaced with HFT 2750; removed LEI 470; added HLP 6535; added LEI 4540/6513. The department modified the curriculum for the 4+1 program and therefore new courses are needed to better support and assess the SLOs for TERM. Since several courses do assess Student Learning Objectives, we included additional assessments to further validate the course outcomes.

The rubric was also updated to provide a more robust assessment of the internship.

Changes suggested by the UF Assessment Committee were implemented. Courses have been approved as they are not NEW courses - just new to the plan.
