Description and Rationale

Briefly describe the modification(s), including the revised language, and provide the rationale/justification for the revision. Templates are available for the curriculum map, assessment timeline, and assessment cycle on the [Institutional Assessment website](#).

Response:

We deleted the PG2 to increase the number of PhDs awarded.

Justification: We have undergone rapid growth in our graduate program in the last five years and we are one of the largest producers of PhDs in the college. We have capped the size of our graduate program and growth of the PhD program is no longer a priority.
