Assessment of SLOs

Briefly describe the revision and include the revised language:

Rationale/Justification for the revision:

If SLO is checked – Describe the individual student assessments that will be used measure the revised SLO?

If Assessment is checked – How does this new assessment method address the SLOs? Which SLOs does this new assessment apply to?

Please note, this is not a revision - this is for approval of the SLO assessment form for our program, which has been approved by the MDP Curriculum Committee, Dept of Latin American Studies, and Dean Pharies of CLAS. We are putting the form through the Academic Approval Tracking as instructed.

If both checked: How do the assessment methods relate to the SLOs?

Please attach both the current ALC and the new, revised version.
