Description and Rationale

Briefly describe the modification(s), including the revised language, and provide the rationale/justification for the revision. Templates are available for the curriculum map, assessment timeline, and assessment cycle on the [Institutional Assessment website](#).

Response:

The modifications made to the MS in Veterinary Medical Sciences academic assessment plan include: (1) removing references to the PhD program throughout, (2) modification of the responsible role, (3) streamlined program goal one and added program goal 2, (4) specified more directly the evaluation method for the program goals, (5) eliminated SLOs that pertained to the PhD program (reduced SLOs in number from 10 to 6), (6) changed the verbs in SLOs to be consistent with current guidelines, (7) more specificity in assessment methods for each SLO in terms of what will be assessed and whether that applies to both thesis and non-thesis options, (8) updated the Assessment Cycle, (9) updated Department Affiliations where needed, (10) Updated measurement tools to reflect assessment and evaluation methods, and (11) updated assessment timeline.
