

**UF COMPASS**

Campus-wide Modernization Program to Advance Student Services

## User Experience (UX) Strategy for Faculty

# Primary Pathways to Services

- myUFL
  - Focused primarily on back-office administrative tasks
    - Financial aid, student records, payroll, etc.
  - Primarily for staff and faculty that are doing administrative work
- Canvas
  - Course specific information and capabilities for faculty and students
  - Will include embedded analytics and methods for student intervention
- ONE.UF
  - Aggregated self-service functionality – time reporting was a piloted function
  - For faculty will provide aggregated view across all classes
  - Roadmap includes simplifying interfaces to UFIRST, myInvestigator, effort reporting, travel, etc.
