

Internationalization:

Internationalization is the conscious integration of intercultural and global competencies into student learning.

Principal Competency Elements:

Global Awareness: Students comprehend the trends, challenges, and opportunities that affect our communities and communities worldwide.

Intercultural Competence: Students interact effectively with members of other cultures.

Student Learning Outcomes:

- | | |
|--------|--|
| SLO 1: | Students demonstrate knowledge of global and intercultural conditions and interdependencies. |
| SLO 2: | Students think critically to interpret global and intercultural issues. |
| SLO 3: | Students communicate effectively with members of other cultures. |
