# Senate Nominating Committee Minutes of the April 19, 2012 Meeting

The meeting was called to order by the Chair at 12 p.m. In attendance were:

Mike Katovich, Chair Dave Bloomquist Nicole Horenstein Blake Landor Tamekia Jones P.K. Nair Raul Sanchez Brian Keith

The purpose of the meeting was to review the current list of vacancies and candidates for the various Committees. The Chair distributed the latest spreadsheets as well as displayed them on the projection screen. Lunch again was provided by Dave.

This list of committees was updated, based on the emails sent out by SNC committee members. Hence, several unfilled slates that were identified in the April 11<sup>th</sup> minutes are now filled. Also, several names were moved to other committee slates in order to give them their most requested committee assignment(s). Hence, the numbers "needed and have" varied slightly from the previous meeting.

The chair stated that the agenda for this meeting is to finalize the Presidential Committees, identifying which slates are filled and which ones need more candidates. In addition, identify names to submit to the Provost for possible appointments. The committee decided to forward names of those nominees that were not selected by the senate, as the recommended nominees for consideration as the potential presidential appointees. In addition any nominee that was not selected to serve on any previous committee was forwarded as potential presidential appointments.

The committee then reviewed each committee. Based on the data provided, the specific tasks delegated to the members were as follows:
