Current Degree Program Name Visual Art Studies

Requested Name Change Change the name of the degree program.

Proposed Degree Program Name BA in Art

Effective Term Fall

Effective Year Earliest Available

Pedagogical Rationale/Justification The current name Visual Art Studies is confusing to students; additionally, we would like to align the BA degree name with that used by peer institutions. Schools like University of Michigan, University of Massachusetts Amherst, University of Illinois Urbana Champaign, Ohio State, University of Washington, UC Davis, and University of Texas designate the BA as a BA in Art. In addition to clearing up confusion as to the content of the degree, a BA in Art parallels the the BFA in Art designation and creates better community between the BFA and BA students.

Assessment Data Review In the process of updating our BFA and BA curricula as per our program goals, we discovered that the BA program name was not aligned with that of peer institutions
