**Rationale**The faculty reviewed the curriculum and determined that Advanced Event Management could be completed without the course LEI 3301 Principles of Travel and Tourism as a pre-requisite. This pre-requisite was originally added to aid students in the major with course sequencing, but the department does not feel it is necessary to keep this course as a pre-requisite to understand the content of the course. However, the department feels completion of HFT2750 Event Management is an adequate pre-requisite to understand the content of the course.
