Proposed Changes We are looking to align the name of the minor both with our degree programs (BFA Art, requested change from BA Visual Art Studies to BA Art) and with the name used by peer institutions. The new name of the minor would be Minor in Art.

Pedagogical Rationale/Justification In the process of updating our BFA and BA curricula as per our program goals, we discovered that the minor name was not aligned with that of peer institutions or our BFA which is in art rather than studio art.
