Change the Total Credits of a Degree Program

This form should be used to request a change in the total credits of a degree program. Note that this change applies to all majors in that degree program. To request other changes to an existing degree program, follow the procedures at <http://approval.ufl.edu>. Instructions for completing and submitting this form begin on the last page.

Degree Program

- | | |
|---|-------------------------------|
| 1. Degree Name Bachelor of Music
(Choral/Keyboard) | 2. CIP Code Enter Code |
| 3. Current Total Credits 120 | 4. Proposed Total Credits 122 |
| 5. Effective Term Fall | Effective Year 2015 |

6. Pedagogical Rationale/Justification for the Change in Total Credits

Request approval to change the total number of credits from their current level of 120 credits to 122 to accommodate addition of the six credits of new General Education requirements. The maximum number of credits that have already been approved by the BOG for this degree program is 134.

7. Projected Impact on Initial Enrollment, Retention, Graduation

No impact

- Prepare a document showing the catalog copy with the current and proposed curricula either in a side-by-side comparison or edited using the “track changes” feature in Word.
- Prepare supporting documentation from other colleges indicating availability of seats in courses that are affected by the change in credits

Instructions

This form should be used to request a change in the total credits of a degree program. To request other changes to an existing degree program or major, follow the procedures at <http://approval.ufl.edu>.

Degree Program

1. Enter the name of the degree program.
2. Enter the six digit Classification of Instructional Programs (CIP) code for the degree program. The code has the numerical format XX.XXXX. Contact the [Office of Institutional Planning and Research](#) (OIPR) to verify the CIP code for the existing degree program.
3. Enter the current number of credits needed to complete the majors in the degree program.
4. Enter the proposed number of credits needed to complete the majors in the degree program.
5. Enter the term (semester and year) that the requested change in total credits would be effective.

Pedagogical Rationale/Justification

6. Describe the rationale for the proposed change to the total credits. In accordance with the requirements of Section 1007.25, F.S., the Board of Governors may approve a request by a university board of trustees for a bachelor's degree program to exceed 120 credit hours to degree for the following reasons:
 - a) Additional courses are required to meet specialized accreditation standards for program content and such accreditation is expected or required for program graduates to become employed in the profession for which they are being prepared (e.g. Engineering, Architecture).
 - b) Additional courses are required to meet state or federal mandated criteria for professional licensing (e.g., Teacher Education).
 - c) The degree program offers a unique and innovative learning experience, such as honors programs, individualized study, and other non-traditional approaches to education.

Projected Impact on Initial Enrollment, Retention, Graduation

7. Describe the projected impact of the change in total credits on enrollment and on retention and graduation of students in the majors.
