Request: PHA5701C Personal & Professional Development II *Change in Pre-req

Description of request: We request offering this course in Year 2.

This was previously a year 1 course; therefore, the pre-requisite needs to change

Originally, we had 2 1-credit hour courses of the Personal & Professional Development sequence in year 1. A large portion of one of these courses was devoted to Pharmacy Law.

Based on experience in teaching the course in the first year, it was felt it would be best to allocate a full credit hour to law in the first year. Therefore, year 1 now only has 1 Personal and Professional Development course.

So that the course numbering is in sequence, we request the following:

PHA 5700C - Personal & Professional Development I (Year 1)

PHA 5701C - Personal & Professional Development II (Year 2) **This was previously a year 1 course; therefore, the pre-requisite needs to change**

PHA 5702C - Personal & Professional Development III (Year 3)**This was previously a year 2 course; therefore, the pre-requisite needs to change so that it requires completion of Year 1 and milestones**

So that the course numbering is in sequence, we request the following:
