1. Approval of minutes of October 16, 2012 meeting.
Minutes were approved as written.
2. Update from Faculty Senate.
No curricular updates.
3. New minor in Health Disparities in Society, effective Spring 2013. Dr. Pharies presented this request. The proposal was approved.
4. Changes to Interdisciplinary Studies – Environmental Management in Agriculture and Natural Resources major, effective Summer B 2013. Dr. Turner presented this requested change to accommodate online students. This proposal was approved.
5. Proposed BS Health Education curriculum revisions, effective Summer B 2013. This proposal was tabled per request from college.
6. 2016-2017 Calendar Approval.
The 2016-2017 Calendar Approval was tabled pending evaluation of concerns regarding reading days and exam scheduled. The UCC discussed whether this issue is the purview of the UCC or the Academic Policy Council.
7. Summer Enrollment Proposal
Proposal to change summer enrollment policy to the following: Students who enter a state university in Florida with fewer than 60 credits must earn at least nine credits before graduation during summer terms at State University System (SUS) institutions. However, students who earn six credits through UF-sponsored, UF-exchange, or approved SUS study-abroad programs during one or two summer terms satisfy the summer term enrollment requirement.
This proposal was approved with one dissenting vote.
