# Course|New for request 11126

## Info

**Request:** IDH 4942 Honors Tutorial

**Description of request:** This is to add back a course that was deleted from the catalog. I began promoting this as an option for upper division students to add depth to their upper division courses recently and was surprised to see it deleted.

It is modeled on the CALS upper division contract honors courses.

We will develop a contract form similar to that used in CALS:

<http://cals.ufl.edu/docs/pdf/students/HonorsContractForm.pdf>

**Course Description** Must be taken in conjunction with other university courses at the 3000 and 4000 level. Students must secure instructor permission of the course to which they wish to add this credit.

**Prerequisites** Honors Program Member

**Co-requisites** None

**Rationale and Placement in Curriculum** Honors Tutorial Contracts involve scholarly inquiry and faculty mentoring linked to upper division courses within your major. Together with the instructor, unique course requirements are developed, and the course receives the additional credit. Students must submit the Honors Contract form to the Director's office no later than 3 weeks after the first day of classes of the semester in

which the course is taken.

**Course Objectives** The student will gain greater depth in the subject matter of the the matching course.

**Course Textbook(s) and/or Other Assigned Reading**N/A

**Weekly Schedule of Topics** Variable. It would depend on the professor and students would contract with the faculty member to define the additional content.

Some ideas for contracts that have worked well:

- Student participates in lab meetings and/or research with professor and grad students on course topic.
- Student attends and summarizes seminars on campus related on course topic.
- Student does independent reading on the topic with guidance from professor, and then presents analysis (either oral or written, to professor or to class).
- Student helps professor develop lecture(s), lab exercise(s), or multimedia on course topic.

**Links and Policies**“Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:

[https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx.](https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx)”

“Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, [www.dso.ufl.edu/drc/](http://www.dso.ufl.edu/drc/)) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.”

This may be achieved by including a link to the web page:
