## Minor|Modify for request 11039

### Info

**Request:** Information Systems

**Description of request:** - Proposed: 1) Require ISM 3013 Intro to Info Systems, 2) Open only to Accounting and Business Students

The ISOM department wants students to have proficiently and access and in excel for greater success in upper division course work required for the minor. As part of the requirements in ISM3013 students receive Microsoft office certification in excel and access

**Submitter:** Hatch,Tiffany G tiffany.hatch@warrington.ufl.edu

**Created:** 7/20/2016 7:10:19 AM

**Form version:** 1

### Responses

**Name**Information Systems

**Code**IST

**Effective Term** Fall

**Effective Year** 2017

**Proposed Changes** - Current: Require CGS 2531 Problem Solving with Computers or ISM 3013 Intro to Info Systems

- Proposed: 1) Require ISM 3013 Intro to Info Systems, 2) Open only to Accounting and Business Students

**Pedagogical Rationale/Justification**The ISOM department wants students to have proficiently and access and in excel for greater success in upper division course work required for the minor. As part of the requirements in ISM3013 students receive Microsoft office certification in excel and access.

**Impact on Other Programs**The proposed changes will not increase the need for access to courses outside of the existing program, nor outside of the Heavener School of Business. The changes will limit access to the minor due to limited availability of minor courses.

## Information Systems

The information systems minor provides [undergraduates with a major in business or accounting](#)~~all interested undergraduates~~ with an overview of the computing, quantitative, and application skills that are vital to a business problem-solving setting.

### About this Minor
