Proposed Changes Specify course numbers for certain requirements

Remove several courses available to minors

Specify course that does not count towards minor

Pedagogical Rationale/JustificationAs the dance program has grown with the approval and implementation of the BA in Dance Studies in 2012, changes have been made to more accurately reflect courses available to the dance minor.

The changes reflect course changes/updates within the dance curriculum

Impact on Other Programs

The dance minor is designed to bring the student in close contact with classroom expertise in technique, as well as the enriching artistic and production aspects of dance.

Admission to the dance minor requires the completion of Basic Modern Dance ~~(at appropriate level)~~ at UF with a minimum grade of B. Students then will meet with the dance minor advisor for approval to enter the program and to establish a program of study.

The minor is comprised of a core of 10-11 credits plus 6-7 credits of emphasis as approved by the advisor. At least 12 of these credits must be completed at UF. It normally takes four semesters to complete the minor.

~~DAA 1000, Fundamentals of Dance Technique does not count towards the minor.~~
