## Info

**Request:** PAS5027C EKG INTERPRETATION/ACLS

**Submitter:** Breitinger,Petar petar@peds.ufl.edu

**Created:** 12/3/2015 10:51:42 AM

**Form version:** 1

## Responses

**Current Prefix**PAS

**Course Level**5

**Number** 027

**Lab Code** C

**Course Title** EKG INTERPRETATION/ACLS

**Effective Term** Spring

**Effective Year** 2017

**Requested Action** Other (selecting this option opens additional form fields below)

**Change Course Prefix?**No

**Change Course Level?**No

**Change Course Number?**No

**Change Lab Code?**No

**Change Course Title?**No

**Change Transcript Title?**No

**Change Credit Hours?**No

**Change Variable Credit?**No

**Change S/U Only?**Yes

**S/U Only Status**Change to S/U Only

**Change Contact Type?**No

**Change Rotating Topic Designation?**No

**Change Repeatable Credit?**No

**Change Course Description?**No

**Change Prerequisites?**No

## **Change Co-requisites?No**

**Rationale**The UF School of Physician Assistant Studies, after a self-study analysis of the curriculum, is requesting conversion to a Pass/Fail (S/U) curriculum of the didactic year (first year). Currently UFSPAS uses a grading scale (A-E) to evaluate and monitor students' progress through both years of their education. The clinical year (second year) of training will continue using a grading scale for the core clinical rotations to allow students to achieve a ranking should they further their education.

The following reasons provide the rationale for moving towards a Pass/Fail (S/U) curriculum during the didactic year of education:

1. Allows students to become self-directed learners (intrinsic motivation)
2. Decreases/eliminates competition between students
3. Promotes more collaborative learning
4. Positively enhances students sense of well-being
5. Aligns us with the College of Medicine (COM) who has successfully adopted a Pass/Fail curriculum.
6. Fosters development of competency based evaluation
7. Decreases faculty/student tensions of assigning "fair" grades

Please look favorably on this request

PAS 5027C: EKG Interpretation/ACLS [CA]

- <http://apps.aa.ufl.edu/Approval/Requests/Info/10599>
- **Change S/U Only:** Yes
- **S/U Only Status:** Change to S/U Only
- **Rationale:** The UF School of Physician Assistant Studies, after a self-study analysis of the curriculum, is requesting conversion to a Pass/Fail (S/U) curriculum of the didactic year (first year).
- Each course to be designated as a Pass/Fail (S/U) option will still maintain their current numerical grading rubric for exams and minimal overall numerical percentage to pass (70%). Numerical percentages will be maintained within the program grade book and student records to continue with monitoring academic progress. The use of the S/U option will be used for reporting on their University transcript.
- EKG will comprise 80% of grade (3 quizzes/ 2 EKG interpretations= 50% / Final exam= 50%)
- ACLS will comprise 20% of grade
- A cumulative score of 70% or higher is required to pass this course.
