| Description | The Board of Governors approved the creation of a new BA in Foreign Languages and Literatures (FLL) in January 2016. The new FLL degree will replace the foreign language majors currently housed in the Dept. of Languages, Literatures, and Cultures (LLC). The new FLL degree acts as an umbrella degree for several language-specific tracks, e.g. "Foreign Languages and Literatures - Russian." It is necessary to close the old Russian major so as to avoid confusion for incoming students. |

Rationale for Request

Describe the rationale for the request to close the major.

Response:
The Board of Governors approved the creation of a new BA in Foreign Languages and Literatures (FLL) in January 2016. The new FLL degree will replace those foreign language majors currently housed in the Dept. of Languages, Literatures, and Cultures (LLC). The new FLL degree acts as an umbrella degree for several language-specific tracks, e.g. "Foreign Languages and Literatures - Russian." It is necessary to close the old Russian major so as to avoid confusion for incoming students.

Impacts on Other Programs

Describe any potential impact on other programs or departments, including increased need for general education or common prerequisite courses, or increased need for required or elective courses outside of the existing degree program.

Response:
This closure will not impact any other programs or departments since the old degree will be replaced by the new FLL degree. The new degree will offer courses consistent with those that have been offered in the past.

Steps Taken to Inform Students and Faculty

State what steps have been taken to inform students and faculty of the intent to close the major.

Response:
Students and faculty have been advised of the intent to replace the major in formal meetings, advising sessions, and through written communication.

Teach-Out Plan

Explain how students in the major will be able to complete their degree. The teach-out process often extends well beyond the termination date.

Response:
Students in the existing major will be able to complete their degree without any complications because the required courses will continue to be offered under the new

major.

Accommodation of Faculty

Provide an explanation of the manner in which the Department and College intend to accommodate faculty who are currently active in the major.

Response:

Faculty currently active in the major will not be affected by this change since the new major will require the same degree of participation.
