College	Recycled	CLAS - College of Liberal Arts and Sciences	Pharies, David A	Decision to have the course repeated five times will have to be justified. The program has plenty of regular courses such that this many repetitions of a rotating topic course should not be necessary.	10/20/2015

Department	Approved	CLAS - African American Studies 011601004	AUSTIN, SHARON D	Students can now repeat 4931 courses three times. Many of our faculty teach cross-listed courses that have been approved in other departments and can't get approved as AFA courses. Therefore, we offer several 4931 courses that students sometimes need to repeat.	10/22/2015
