Major Name: Telecommunication Production
Major Code: RTV
Degree Program Name : Telecommunication
Effective Term : Earliest Available
Effective Year : Earliest Available
Proposed Changes : Replace MMC 2121 (3 credits) with JOU 2040 (1 credit)
Add new required course RTV 3XXX Electronic Field Production II (4 credits)

Pedagogical Rationale/Justification: Students need additional instruction in video production. We currently require fewer such courses than peer programs.

Replacing the 3 credit writing course with the 1 credit course provides greater flexibility for student scheduling; students in the Production track currently have a significant writing requirement

Impact on Enrollment, Retention, Graduation: None
