6. **Proposed changes to the tracking requirements for the Forest Resource and Conservation major:** Elaine Turner explained the proposed changes. There is a concern about the increased demand that a requirement for ENC 2210 will created. The changes are tabled pending further discussion of the issue with CLAS.
7. **Proposed changes to the major of Applied Physiology and Kinesiology:** Mila Henderson explained the proposed changes. A motion was made to approve the changes. Motion passed.

- 8. Proposed changes to the major of Tourism, Recreation and Sports Management:** Mila Henderson explained the proposed changes. A motion was made to approve the changes. Motion passed.
- 9. Proposed changes to the major of Health Education and Behavior:** William Chen explained the proposed changes. These changes are tabled pending presentation of the tracking criteria for this major at a future meeting.
- 10. Update on the minus grade issue:** Sheila Dickison told the group that the Faculty Senate has approved the implementation of minus grades effective with either the Summer 2007 or Spring 2008 term. Lynn Romrell made a motion to ask the Faculty Senate to reconsider the implementation date to coincide with the start of the UF academic year, either Summer B 2007 or 2008. The motion passed. A recommendation will be drafted and forwarded to the Faculty Senate for consideration. Subsequently, it was determined that the implementation date is considered to be an administrative issue and the Faculty Senate will not need to reevaluate for a change.
- 11. Information only items from Graduate School: No action required**
- Proposal for revisions to the Latin American Studies Certificate
 - Proposal to sunset three degrees: 1) Master of Civil Engineering with a major in Civil Engineering, 2) the Engineer degree with a major in Civil Engineering, and 3) the Engineer degree with a major in Coastal and Oceanographic Engineering. Effective Fall 2006.
