

<p style="text-align: center;"><b>Minutes of the Meeting of the University Curriculum Committee</b> <b>January 19, 2010</b></p>
---

Bernard Mair convened the UCC at 1:32 p.m. in 226 Tigert Hall.

**Members Present:** Bernard Mair, Chair, Cory Armstrong, Kelli McCormack Brown, Peggy Carr, Tom Dana, Ken Gerhardt, Stephanie Hanson, Selman Hershfield, David Julian, Mark Law, Jonathan Lott, Albert Matheny, Karen Miles, Eileen Oliver, Steve Pritz, Brian Ray, Jennifer Rea, Elaine Turner

**Guests:** Roxanne Barnett

**1. Approval of minutes of December 15, 2009 meeting.**

The minutes were approved.

**2. Update from Faculty Senate.**

Dr McLeskey, the Faculty Senate appointed co-chair of the UCC is on sabbatical for the spring term. Dr Koro-Ljungberg will serve out the balance of his term as co-chair this semester. She will also represent Dr Mair at this week's Faculty Senate meeting.

**3. Proposed changes to the Applied Physiology & Kinesiology curriculums, effective Summer B (changed from Fall) 2010.**

Dr McCormack Brown explained this is an update to approved electives. This proposal was approved.

**4. Proposed changes Proposed Changes to the Athletic Training Curriculum, effective Summer B 2010.**

Dr McCormack Brown explained this proposal involved re-sequencing of upper division courses. This proposal was approved.

**5. Proposed changes to the Recreation and Event Management Curriculum, effective Summer B 2010.**

This item is "clean up" for course renumbering changes in the state system. This proposal was approved.

**6. Proposed changes to the Recreation Programming Curriculum, effective Summer B 2010.**

This item is "clean up" for course renumbering changes in the state system. This proposal was approved

**7. Proposed changes to the Tourism and Hospitality Management Curriculum, effective Summer B 2010.**

This item is "clean up" for course renumbering changes in the state system. This proposal was approved

**8. Proposed changes to the Sport Management Curriculum, effective Summer B 2010.**

This proposal was tabled by the college for clarification regarding the use of independent studies courses to meet the department elective requirement.

**9. Proposed changes to the Natural Resources Recreation Management Curriculum, effective Summer B 2010.**

This item is “clean up” for course renumbering changes in the state system. This proposal was approved

**10. Proposed changes to the Exercise Physiology and Fitness/Wellness Curriculums, effective Summer B 2010.**

Dr McCormack Brown relayed that this change will increase the options of courses students may take. This proposal was approved.

**11. Proposed new Minor in Accounting, effective Fall 2010.**

Dr Ray explained that this proposed minor is in response to industry demand, most specifically directed at Finance majors. This proposal was approved.

**12. Proposed changes to the Business Core Requirements for the BSBA and BABA Degrees, effective Summer B 2010.**

Dr Ray explained that a core course (ECP 3703) is being eliminated, and the changes will address this change. The proposal was approved.

**13. Proposed changes to the requirements for the following majors: Management, Marketing, and Economics, effective Summer B 2010.**

Dr Ray relayed that these changes are creating additional depth in the upper division major courses for these majors. The proposal was approved.

**14. Proposed revision of the 3000-4000 level restricted elective requirements for the following BSBA Majors: Economics, Finance, Information Systems, Management, and Marketing, effective Summer B 2010.**

Dr Ray explained that these changes will allow more flexibility in the upper division electives for these majors. The proposal was approved with the clarification that only one business electronic platform course can be included as an upper division elective.

**15. Proposed request for program closure of BA in American Studies, effective Summer B 2010.**

Dr Mair clarified that this program has not had any students or faculty in many years, and this action is to cleanup what is already happening. This proposal was approved and will be forwarded to the Faculty Senate for action.

**16. Proposed two BS degree programs for Agricultural & Biological Engineering, effective Summer B 2010.**

Tabled at the request of the college.

**17. Proposed changes to BS curriculum in Civil Engineering, effective Summer B 2010.**

Dr Law clarified that while this change will eliminate tracks within this major, students will still have many options for specialization by their course selections. The proposal was approved.

**18. Proposed changes to BS curriculum in Nuclear Engineering Sciences, effective Summer B 2010.**

Dr Law explained that this modification is in response to changes suggestions made by their credentialing authority. The proposal was approved.

**19. Proposed changes to Packaging Science Minor, effective Summer B 2010.**

Dr Turner related that this change will simplify the minor requirements and afford more flexibility to students pursuing this minor. The proposal was approved.

**20. Proposed changes to Packaging Science Major, effective Summer B 2010.**

Dr Turner explained that in response to industry expectation of students with this degree, they have added additional technical requirements. This proposal was approved.

**21. Discussion of approval process for 5000 level courses.**

After discussion, it was agreed that 5000 level new course request and course changes (joint graduate and undergraduate courses) will be voted upon by the UCC after they have been approved by the Graduate Curriculum Committee. This is effective beginning immediately.

**22. Items from Graduate School (information only).**

None presented

**23. Proposed changes to undergraduate courses.**

- DIG4903 – Hypermedia - deferred for next meeting
- DIG3745C – Electronics and Sensor-based Art - deferred for next meeting
- DIG4483C – Advanced Experiments in Digital Art - deferred for next meeting
- DIG3305C – Digital Animation 1 - deferred for next meeting
- DIG3133 – Programming for Artists - deferred for next meeting
- MAN4301 – Human Resource Management - deferred for next meeting
- APK4315 – Topics in Sports Medicine - deferred for next meeting
- APK2300C – Prevention and Care of Athletic Injuries - deferred for next meeting
- HSC4876 – Internship in Health Education - deferred for next meeting
- HSC4950 – Current Topics in Health Education - deferred for next meeting
- SUR3641 – Survey Computations - deferred for next meeting
- FNR4343L – Forest Water Resource Lab - deferred for next meeting

- WIS2040 – Wildlife Issues in a Changing World - deferred for next meeting
- SUR4201 – Route Geometrics and Design - deferred for next meeting
- DEP3053 – Developmental Psychology - deferred for next meeting

#### **24. Proposed new undergraduate courses.**

- CPO4141 – Turkish Government and Politics - deferred for next meeting
- MUH3XXX - Popular Music in the USA: From Ragtime to Hip-Hop and Beyond – will review electronically
- MUT1011 – How Music Works – will review electronically
- ARH3XXX – Renaissance Art - deferred for next meeting
- ARH4XXX – Baroque Rome - deferred for next meeting
- ARH1XXX – Masterpieces of Art – will review electronically
- HUM2XXX – A Taste of the Arts Behind the Scenes – will review electronically
- ART4XXX – Digital Fabrication - deferred for next meeting
- REL2XXX – Religion and Science - deferred for next meeting
- GEB3373 – International Business - approved
- APK4XXX – Functional Sport Conditioning - approved
- APK4XXX – Clinical Pathology and Pharmacology - approved
- APK3XXX – Sports Nutrition - approved
- BME1XXX – Introduction to Biomedical Engineering - tabled
- BME3XXX – Cellular Engineering Laboratory - tabled
- BME4XXX – Biomedical Instrumentation – tabled
- BME4XXX – Molecular Biomedical Engineering - tabled
- BME4XXX – Senior Design, Professionalism, and Ethics 1 – tabled
- BME4XXX – Senior Design, Professionalism, and Ethics 2 – tabled
- BME4401 – Medical Imaging - tabled
- HUM2930 – Special Topics in Fine Arts – will review electronically
- CLA3XXX – Greek and Roman Epic - deferred for next meeting

#### **25. Proposed new graduate courses (information only).**

- SPW6535 - Spanish Romanticism
- CPO6XXX – Environmental Politics
- GLY5576 - Continental Margin Stratigraphy - requires approval, deferred for next meeting
- DCP6XXX - World Heritage Research & Stewardship
- EDG6XXX - Culturally Responsive Classroom Management
- CPO6XXX - Comparative Qualitative & Mixed Methods
- ENY6706L – Forensic Entomology Lab
- ENY6XXX - Forensic Entomology
- MET6XXX – Atmospheric Data Analysis
- ABE6XXX - Nanotechnology in Water Research
- GEO5XXX – Climatology - requires approval, deferred for next meeting

- SWS5215 - Land Application of Residual Products
- EDG6XXX - TLSI Online Portfolio Preparation

**26. Proposed changes to graduate courses (information only).**

- PET5646 - Advanced Exercise Therapy and Adapted Physical Education - requires approval, deferred for next meeting
- ISM6236 – Business Objects 1
- MAN6528 - Principles of Logistics/Transportation Systems

**27. Proposed new professional courses.**

- VEM5342 – Forensic Medicine - approved

**28. Proposed changes to professional courses.**

None presented.

The meeting adjourned at 3:05 p.m.
