1. Approval of minutes of February 21, 2012 meeting.
Minutes were approved as corrected to indicate Dr Rieger presented the items for the College of Agricultural and Life Sciences.
2. Update from Faculty Senate.
 - Oral and Maxillofacial Surgery department in Jacksonville was approved
 - Dr Jeff City has been appointed as director of the Innovation Academy
 - Dr Mair informed the committee that items received after February 2012 might be too late for inclusion in the 2012-2013 catalog. Roxanne Barnett and the staff of the Registrar's Office will do their best to include any changes if possible.
3. Proposed changes to the critical tracking for CLAS Biology major, effective Summer B 2012. This proposal was withdrawn per request from the department.
4. Proposed changes to the critical tracking for CLAS Botany major, effective Summer B 2012. Dr Julian presented this request to raise the tracking GPA in all tracks from 2.0 to 2.5. The purpose of this change is to match the CLAS AND CALS tracking GPA. This proposal was approved.
5. Proposed revision to International Studies major, effective Summer B 2012. Dr Pharies presented a modified version of this request. Updated documents will be sent to the Registrar. This proposal was approved.
6. Proposed revision to honors criteria of Linguistics major, effective Fall 2012. Dr Pharies presented. This proposal was approved.
7. Proposed revision to Psychology major, effective Summer B 2012. Dr Lise Abrams presented this proposal which is based on recommendation of their professional organization. This major will eventually replace the IDS major in neurobiology. This proposal was approved.

8. Proposed change in the number of professional electives for Advertising major, effective Summer B 2012. Dr Weigold presented this proposal to increase required courses and integrate Advertising and Public Relations disciplines. The intention of these changes is to meet national standards and promote collaboration. This proposal was approved.
9. Proposed changes to the Public Relations curriculum, effective Summer B 2012. Dr Weigold presented this proposal similar to the proposed changes for the Advertising major. This proposal was approved conditionally upon correction of total hours required.
10. Proposed changes to the Health Education and Behavior curriculum, effective Summer B 2012. Dr McCormack Brown presented this proposal to include alternate courses options for students who are not on a pre-health professional track. This proposal was approved conditionally upon receiving updated documents replacing BSC2010/L with BSC2009/L and adding text to the catalog to distinguish between pre-health and non pre-health requirements.
11. Proposed changes to the Recreation, Parks & Tourism combined degree curriculum, effective Summer B 2012. Dr McCormack Brown presented. This proposal was approved.
12. Proposed revisions to master in Music Education, effective Fall 2012. This proposal was withdrawn. This is a Graduate proposal that does not go before the UCC for approval.
13. Proposed revisions to the BA in Digital Arts and Sciences, effective Fall 2012. Dr Schaefer presented these changes. The program needs to change the 3000 and 4000 level critical tracking courses to 2000 level for articulation reasons. This proposal was approved conditionally with suggested changes to add this option.
