Rationale Some of the content of BME 4311 will be adjusted starting in Fall 2018 as a result of removing BCH 4024 from the curriculum for 2017 catalog year students and beyond. Students are required to complete either CHM 3217 or the two course sequence equivalent of CHM 2210 and CHM 2211 as a degree program requirement. If they opt to complete the two course sequence equivalent (CHM 2210 and CHM 2211), then they may take CHM 2211 as a coreq with BME 4311.
