**Form version:** 3

## Responses

### Recommended Prefix

*Enter the three letter code indicating placement of course within the discipline (e.g., POS, ATR, ENC). Note that for new course proposals, the State Common Numbering System (SCNS) may assign a different prefix.*

Response:

HUM

### Course Level

*Select the one digit code preceding the course number that indicates the course level at which the course is taught (e.g., 1=freshman, 2=sophomore, etc.).*

Response:

3

### Number

*Enter the three digit code indicating the specific content of the course based on the SCNS taxonomy and course equivalency profiles. For new course requests, this may be XXX until SCNS assigns an appropriate number.*

Response:

XXX

### Category of Instruction

*Indicate whether the course is introductory, intermediate or advanced. Introductory courses are those that require no prerequisites and are general in nature. Intermediate courses require some prior preparation in a related area. Advanced courses require specific competencies or knowledge relevant to the topic prior to enrollment.*

Response:

Intermediate

- 1000 and 2000 level = Introductory undergraduate
- 3000 level = Intermediate undergraduate
- 4000 level = Advanced undergraduate
- 5000 level = Introductory graduate
- 6000 level = Intermediate graduate
- 7000 level = Advanced graduate

*4000/5000 and 4000/6000 levels = Joint undergraduate/graduate (these must be approved by the UCC and the Graduate Council)*

**Lab Code**

*Enter the lab code to indicate whether the course is lecture only (None), lab only (L), or a combined lecture and lab (C).*

Response:

None

**Course Title**

*Enter the title of the course as it should appear in the Academic Catalog.*

Response:

Music and Health

**Transcript Title**

*Enter the title that will appear in the transcript and the schedule of courses. Note that this must be limited to 21 characters (including spaces and punctuation).*

Response:

Music and Health

**Degree Type**

*Select the type of degree program for which this course is intended.*

Response:

Other

**If other degree type, specify**

Response:

Certificate

**Delivery Method(s)**

*Indicate all platforms through which the course is currently planned to be delivered.*

Response:

On-Campus, Online

**Co-Listing**

*Will this course be jointly taught to undergraduate, graduate, and/or professional students?*

Response:

No

**Co-Listing Explanation**

*Please detail how coursework differs for undergraduate, graduate, and/or professional students. Additionally, please upload a copy of both the undergraduate and graduate syllabus to the request in .pdf format.*

Response:  
N/A

### **Effective Term**

*Select the requested term that the course will first be offered. Selecting "Earliest" will allow the course to be active in the earliest term after SCNS approval. If a specific term and year are selected, this should reflect the department's best projection. Courses cannot be implemented retroactively, and therefore the actual effective term cannot be prior to SCNS approval, which must be obtained prior to the first day of classes for the effective term. SCNS approval typically requires 2 to 6 weeks after approval of the course at UF.*

Response:  
Earliest Available

### **Effective Year**

*Select the requested year that the course will first be offered. See preceding item for further information.*

Response:  
Earliest Available

### **Rotating Topic?**

*Select "Yes" if the course can have rotating (varying) topics. These course titles can vary by topic in the Schedule of Courses.*

Response:  
No

### **Repeatable Credit?**

*Select "Yes" if the course may be repeated for credit. If the course will also have rotating topics, be sure to indicate this in the question above.*

Response:  
No

### **Amount of Credit**

*Select the number of credits awarded to the student upon successful completion, or select "Variable" if the course will be offered with variable credit and then indicate the minimum and maximum credits per section. Note that credit hours are regulated by Rule 6A-10.033, FAC. If you select "Variable" for the amount of credit, additional fields will appear in which to indicate the minimum and maximum number of total credits.*

Response:  
3

### **If variable, # min**

Response:  
0

**If variable, # max**

Response:

0

**S/U Only?**

Select "Yes" if all students should be graded as S/U in the course. Note that each course must be entered into the UF curriculum inventory as either letter-graded or S/U. A course may not have both options. However, letter-graded courses allow students to take the course S/U with instructor permission.

Response:

No

**Contact Type**

Select the best option to describe course contact type. This selection determines whether base hours or headcount hours will be used to determine the total contact hours per credit hour. Note that the headcount hour options are for courses that involve contact between the student and the professor on an individual basis.

Response:

Regularly Scheduled

- Regularly Scheduled [base hr]
- Thesis/Dissertation Supervision [1.0 headcount hr]
- Directed Individual Studies [0.5 headcount hr]
- Supervision of Student Interns [0.8 headcount hr]
- Supervision of Teaching/Research [0.5 headcount hr]
- Supervision of Cooperative Education [0.8 headcount hr]

Contact the Office of Institutional Planning and Research (352-392-0456) with questions regarding contact type.

**Weekly Contact Hours**

Indicate the number of hours instructors will have contact with students each week on average throughout the duration of the course.

Response:

3

**Course Description**

Provide a brief narrative description of the course content. This description will be published in the Academic Catalog and is limited to 50 words or fewer. See course description guidelines.

Response:

Students will review music therapy and music in health research to assess, orally and in scholarly writing, how music can be utilized to enhance wellbeing, the intersections between music and psychology/cognition/human behavior, as well as health maintenance issues and medical challenges of performing artists.

### **Prerequisites**

*Indicate all requirements that must be satisfied prior to enrollment in the course. Prerequisites will be automatically checked for each student attempting to register for the course. The prerequisite will be published in the Academic Catalog and must be formulated so that it can be enforced in the registration system. Please note that upper division courses (i.e., intermediate or advanced level of instruction) must have proper prerequisites to target the appropriate audience for the course.*

Response:

Junior standing or above or instructor permission

*Completing Prerequisites on UCC forms:*

- Use "&" and "or" to conjoin multiple requirements; do not use commas, semicolons, etc.
- Use parentheses to specify groupings in multiple requirements.
- Specifying a course prerequisite (without specifying a grade) assumes the required passing grade is D-. In order to specify a different grade, include the grade in parentheses immediately after the course number. For example, "MAC 2311(B)" indicates that students are required to obtain a grade of B in Calculus I. MAC2311 by itself would only require a grade of D-.
- Specify all majors or minors included (if all majors in a college are acceptable the college code is sufficient).
- "Permission of department" is always an option so it should not be included in any prerequisite or co-requisite.

*Example: A grade of C in HSC 3502, passing grades in HSC 3057 or HSC 4558, and major/minor in PHHP should be written as follows:  
HSC 3502(C) & (HSC 3057 or HSC 4558) & (HP college or (HS or CMS or DSC or HP or RS minor))*

### **Co-requisites**

*Indicate all requirements that must be taken concurrently with the course. Co-requisites are not checked by the registration system.*

Response:

None

### **Rationale and Placement in Curriculum**

*Explain the rationale for offering the course and its place in the curriculum.*

Response:

The Music and Health course is a requirement in the Undergraduate Certificate in Music in Medicine. Prior to becoming a course requirement, the course was offered as a special topics course in both the College of the Arts and Honors. This course is designed similarly to a survey course and is the only course in the curriculum that fully and specifically focuses on music and health in a broader context.

### **Course Objectives**

*Describe the core knowledge and skills that student should derive from the course. The objectives should be both observable and measurable.*

Response:

1. Demonstrate an understanding of how music is utilized to enhance healing as a complement to health, wellness and/or the healthcare experience.
2. Articulate the difference between music in health and music therapy.
3. Develop familiarity with historical genres of classical music and its cross-disciplinary application.

4. Evaluate research on music in healthcare settings with sensitivity to varied cultural perspectives.
5. Illustrate effective communication in verbal and written form.

### **Course Textbook(s) and/or Other Assigned Reading**

*Enter the title, author(s) and publication date of textbooks and/or readings that will be assigned. &nbsp;&nbsp;&nbsp;Please provide specific examples&nbsp;&nbsp;&nbsp;to evaluate the course.*

Response:

### **Links and Policies**

*Consult the syllabus policy page for a list of required and recommended links to add to the syllabus. Please list the links and any additional policies that will be added to the course syllabus.  
Please see: [syllabus.ufl.edu](https://syllabus.ufl.edu) for more information*

Response:

Attendance: Attendance is mandatory and will be taken at the beginning of each class. Course objectives will be met by attending and actively participating in each class session. Students are expected to arrive to class on time, stay the entire class period and be prepared to participate in all class discussions and activities. Arriving 30 minutes late or leaving 30 minutes early will receive a 50% deduction in attendance points for that class. Every 2 late arrivals or early departures will result in an absence. Students are accountable for materials covered in lectures

and discussions. If a student misses a class, it is their responsibility to contact other students to find out what was missed. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

**Courtesy Policy:** Students are expected to behave in a manner that is respectful to the instructor and fellow students. Opinions held by other students should be respected in discussion and conversations that do not contribute to the discussion should be minimal. Please avoid the use of cell phones and other electronic devices and restrict eating to outside of the classroom. Inappropriate behavior will result in a request to leave class.

**Recording classroom sessions:** To ensure free and open discussion of ideas, students are not allowed to record classroom lectures, discussions or activities without advance written permission of the instructor.

**Assignments:** All written assignments should be submitted via Canvas unless other arrangements have been made with the instructor.

**Late assignment policy:** Students will be given three days to make up any material missed due to absence. In the case of extenuating circumstances, arrangements will be made on a case-by-case basis through written documentation between the student and the instructor.

**Source Citations:** All assignments should be formatted in APA style, double spaced and 12 point font, such as Times New Roman or Cambria. Research must include a bibliography citing all sources used.

**Communication:** Each student is issued a University email address upon admittance. Students are expected to read email sent to this account on a regular basis. Failure to read and react to University communications in a timely manner does not absolve the student from knowing and complying with the content of the communication.

**Email:** Email through Canvas is the preferred communication method. The instructor will attempt to respond to all emails within 48 hours, excluding weekends or holidays where the time might be slightly longer.

**Academic Honesty:** The university's policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced. Full information regarding these policies is available at the following links:

- Academic Honesty: <https://catalog.ufl.edu/ugrad/current/advising/info/student-honor-code.aspx#honesty>
- Honor Code: <https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>
- Student Conduct: <https://catalog.ufl.edu/ugrad/current/advising/info/student-honor-code.aspx#conduct>

**Disabilities:** Students requesting classroom accommodation must first register with the Dean of Students Office (352.392.8565, [www.dso.ufl.edu/drc/](http://www.dso.ufl.edu/drc/)). The Dean of Students Office will provide documentation to the instructor when requesting accommodation.

Course Evaluations: Students are expected to provide feedback on the quality of instruction in this course. These evaluations are conducted online at <https://evaluations.ufl.edu>. Evaluations typically open during the last two or three weeks of the semester.

### **Grading Scheme**

*List the types of assessments, assignments and other activities that will be used to determine the course grade, and the percentage contribution from each. This list should have sufficient detail to evaluate the course rigor and grade integrity. Include details about the grading rubric and percentage breakdowns for determining grades.*
