### Responses

**Current Certificate Name** Music in Medicine

**Effective Term** Earliest Available

**Effective Year** Earliest Available

**Requested Action** Other (selecting this option will open additional form fields below)

**Change Certificate Name?** No

**Change Certificate Name on Transcript?** No

**Current Transcript Name** Music in Medicine

**Change Credit Hours?** No

**Change Certificate Description?** No

**Change Certificate Prerequisites?** No

**Change Certificate Requirements?** No

**Impact on Program** This does not have a significant impact on the certificate, but it will change the catalog listing.

**Rationale for Proposed Change(s)** When the certificate was initially designed, the Music and Health course was only offered through the Honors program as IDH3931 Interdisciplinary Junior Honors. Since that time, Music and Health has been assigned a permanent course number of HUM3523 (request number: 12964) so we are requesting that this change be reflected in the catalog.

**Assessment Data Review** This proposed change does not change student learning outcomes or program goal data.

**Academic Assessment Plan Changes** This proposed change does not require modification to the academic assessment plan.

### Related Arts in Medicine Programs

*Certificates must contain at least nine credits of coursework that are unique to that program out of all other certificates and minors.*

The certificate recognizes special competency and achievement related to research and practical application of music in healthcare and health-related settings. Students who complete the requirements for the certificate gain unique life experience and capabilities. This certificate, recognizing these special skills, can serve as a credential for developing post-baccalaureate educational pathways and career options.

Students should apply by their junior year and schedule an initial meeting to discuss requirements.
